Champagne

Moët Chandon | France

€82

Powerful, complex, with an interplay of grace and density that we love. There's a sneaky fruitiness underneath it all that makes this wine simply delicious underneath all the seriousness. Using the grape varieties: chardonnay for finesse, pinot noir for structure and pinot meunier for its delicate fruit.

A bright strawberry coloured wine of medium intensity. Delightful in the mouth, well-bodied for a rosé wine.

Gigondas Olivier Ravoire, Grenache/ Syrah/ Mourvèdre | France

€56

A wine created in the heart of the Dentelles of Montmirail, on the rocky terraces of the commune of Gigondas. Purple colour with violet hues, highly colourful nose with fragrances of Garrigue and pit fruits. Offers a racy feel, with terrific cut to the damson plum, red currant, bitter cherry and raspberry notes, lined with tangy iron, blood orange and savory accents. The long finish is very precise.

Gagliardo Preve Barolo, Nebbiolo | Italy

€70

Preve is the name of a single vineyard within the Lazzarito sub-area of Serralunga d'Alba. The particular combination of soil and sun exposition generate a wine of great volume and energy. Its complexity, and its ability to evolve over a very long period of time does not preclude elegance and pleasure in its youth.

Amarone Sant Antonio, Corvina/Rondinella/Croatina/Oseleta | Italy

€65

Inside every bottle of Tenuta Sant'Antonio Amarone there is a lot more than just four different varieties of grapes. The ensemble of fruit on display is bright and bold with a level of dark fruit intensity. The best part, however, is how the wine wraps so thickly over the palate. It coats it beautifully.
