

WEDDINGS AT AMBER SPRINGS

# TOGETHER

## IT'S NEVER JUST ABOUT TWO PEOPLE

### Together

A wedding begins with two people, but it becomes something much bigger.

Parents seeing their child getting married. Grandparents watching another generation begin. Friends laughing until the music stops. Children dancing when nobody else is brave enough. Families becoming one.

At Amber Springs, we believe the best weddings aren't remembered because of flowers or chandeliers. They're remembered because of the moments shared with the people you love most. Everything we do is designed to bring everyone together.

## EVERY DAY BEGINS WITH A WELCOME

Before your guests see the ballroom, they experience something even more important.

*A warm welcome. A smile.  
A glass of champagne. A relaxed atmosphere.*

From the moment you arrive through your private wedding entrance, every detail has been prepared so you can simply enjoy the day.

## THE MOMENT EVERYONE REMEMBERS

The doors open. The music begins. For the first time everyone sees the room you've been dreaming of. The Corrig Suite isn't remembered because it's beautiful; it's remembered because of your entrance, your first dance, the speeches and the applause that follows.

## WHERE FOREVER BEGINS

Whether outdoors beneath the gazebo or indoors surrounded by elegant interiors, your ceremony should feel personal, relaxed and unforgettable. This is where two families become one.

## MOMENTS BETWEEN THE MOMENTS

Some of the most treasured memories happen in between. A father's hug. Friends reunited. Children playing in the gardens. Quiet smiles. Shared laughter. These are the moments that become family stories.

## AROUND ONE TABLE

Every family has one table where birthdays are celebrated and stories are shared. Today that table simply seats everyone you love.

Our philosophy is generous food, genuine hospitality and fresh ingredients.

*Much of our beef, vegetables, potatoes and herbs come from our farm in Craanford because caring about food starts long before it's served.*

## THE CELEBRATION

The speeches.  
The music.  
The dancing.

As day turns into evening, the celebration comes alive. Relax knowing everything has been taken care of while you create memories that will last a lifetime.

## THE WEDDING DOESN'T END WHEN THE MUSIC STOPS

The last dance is played, but the celebration isn't over. Tomorrow morning you'll gather once more around the breakfast table with the people who shared one of the happiest days of your life. Stories are retold, laughter begins again and the memories continue.

## PLANNING YOUR DAY

From your first visit to your wedding day, our team is here to guide you through every step, making the planning process relaxed, enjoyable and completely personal.

## REAL WEDDINGS REAL STORIES

Every wedding tells a different story. What they all share is the people, the laughter and the memories that last long after the day itself.
